Background:

In our efforts to rationalize the printing of Product Inserts, certain changes have been done in the printing process of Product Insert of different **mdj** products with catalog numbers as mentioned above.

Need for Change:

Currently, Product Insert is printed from external agency on yellow colour paper with **mdj** logo in red colour. Whenever any change/modification is done to the Product Inserts, obsolete Product Inserts needs to reconciled, retrieved and disposed off. The retrieval and disposal of obsolete Product Inserts involves loss of man hours and cost. To address this issue, the Product Inserts of **mdj** products with catalog numbers as mentioned above will be now printed in-house in black & white and on white colour paper.
