Fax : + 91 - 171 - 2699221, 2699008

Change Notice No.	Notification date	Implementation date
CN/17/16	August 4, 2017	September 4, 2017

Subject : Changes related to product catalog number of mdi ASESS Aseptic Sampling System

Scope : This change notification will affect the products with following catalog numbers:

BTSXXVA001XX302

• BTSXXVA002XX302

### **Background:**

**mdi** offers ASESS Aseptic Sampling System. In our efforts to bring rationalization in the catalog numbering of ASESS Aseptic Sampling systems, certain changes have been done to catalog numbers as mentioned above.

### **Need for Change:**

The new catalog numbering system for **mdi** ASESS Aseptic Sampling system includes reference to approved drawing number making it much simpler and traceable and also provides greater flexibility with respect to component specifications, number and positioning.

#### How Does It Affect the User:

From a practical point of view, this change only affects the product catalog number of **mdi** ASESS Aseptic Sampling Systems with catalog numbers as mentioned above. All performance specifications, product attributes, traceability and materials of construction will remain unchanged. All packaging attributes such as packaging box, number of assemblies in a box and labeling will remain same as before, only with change to product catalog number
