

Change Notice No.	Notification date	Implementation date
CN/F/19/015	October 15, 2019	November 15, 2019

Subject : Change in Certificate of Quality (CoQ) for mdi Membrane Disc Filters with respect to Microbial Recovery

Scope : This change notification will affect the products with following catalog numbers: (# can be any alphabet or numeral):

- CN#####
- GCB#####
- GCN#####
- GMCN#####
- GPL#####
- MCN#####
- RGCB#####
- RGCN#####

Background:

In our efforts to inform the user more relevant information regarding the products they are using, certain changes have been done in Certificate of Quality (CoQ) of **mdi** Membrane Disc Filters with catalog numbers as mentioned above.

Need for Change:

mdi Membrane Disc Filters with catalog numbers as mentioned above are validated for Microbial Recovery as per ISO 7704-1985 (E): Evaluation of membrane filters used for microbiological analyses. But, the compliance to this test is not reflecting in current Certificate of Quality (CoQ). Hence, the Certificate of Quality (CoQ) for **mdi** Membrane Disc Filters with catalog numbers as mentioned above has been updated incorporating the same.

In addition to the above, the compliance to Fecal Coliform Recovery as per ASTM D 3508-78: Standard method for Evaluating Water Testing Membrane Filters for Fecal Coliform Recovery has been removed from the CoQ as this reference standard has been withdrawn without any replacement.

No change has been done in materials of construction, manufacturing process, test methodology, product attributes and sterilization process.

Change Notice No.	Notification date	Implementation date
CN/F/19/015	October 15, 2019	November 15, 2019

How Does It Affect the User:

From the user point of view, this change only improves the CoQ for above mentioned products in terms of Microbial recovery. All product specifications including materials of construction as well as other performance specifications shall remain unchanged. The said changes will be reflected in the accompanying product's Certificate of quality (CoQ).

Implementation of Change:

mdi Membrane Disc Filters with catalog numbers as mentioned above, released after the implementation date will have the said changes in the CoQ. However, the available stock of **mdi** Membrane Disc Filters with catalog numbers as mentioned above with existing CoQ will be received by you till the stocks last.

In case you have any queries, please feel free to contact our Technical Support Team at 'info@mdimembrane.com'.
