

Change Notice No.	Notification date	Implementation date
CN/F/22/003	January 15, 2022	February 15, 2022

Subject : Change in appearance of MDI Quick Connectors

Scope : This change notification will affect the products with following catalog numbers: (# can be any alphabet or numeral):

- QCC#####
- QCM#####

Background:

In our efforts to provide the users, the product with better aesthetics, certain changes have been done in the design of MDI quick connectors. The change will have no impact whatsoever on the product performance or it's regulatory compliance.

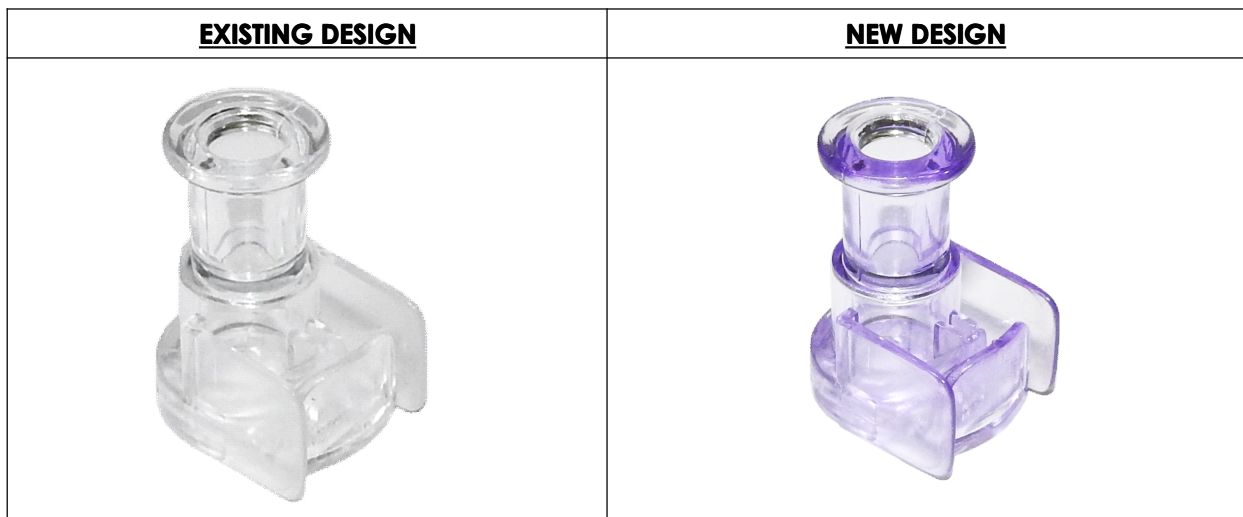

Need for Change:

In our efforts to improve the aesthetics of MDI Quick connectors, the color of quick connectors has been changed from transparent to transparent Blue.

No change has been done in any materials of construction or performance parameters or any critical dimensions or manufacturing process.

How Does It Affect the User:

From a practical point of view the change done will only improve the aesthetics of MDI quick connectors. All performance specifications, product attributes and materials of construction will remain unchanged.

Change Notice No.	Notification date	Implementation date
CN/F/22/003	January 15, 2022	February 15, 2022

Implementation of Change:

MDI quick connectors having catalog numbers as mentioned above, manufactured after the implementation date will have the said changes. However, the available stock of MDI quick connectors with catalog numbers as mentioned above and with transparent color will be received by you till the stocks last.
