

- Reference** : CHANGE NOTICE No. : DP/10/01
- Subject** : Change in Certificate of Quality for mdi Polyester Backed Nitrocellulose Membrane Type CNPH, CNPC and CNPF
- Scope** : This change notification will affect the following Clauses of the Certificate of Quality:
- 'Special Tests' - Removed
 - 'Bubble Point' - Removed
 - 'Best Before' - Added
 - 'Storage' - Added

Background:

In our efforts to inform the user about more relevant information regarding the products they use, it has been decided to make certain changes in the contents of the Certificate of Quality for mdi Polyester Backed Nitrocellulose Membrane Type CNPH, CNPC and CNPF.

Need for Change:

As above.

How Does It Affect the User:

From a practical point of view it is only a 'paper change' and in no way will affect the product properties and performance characteristics of the product under actual conditions of use. All performance specifications and product attributes remain unchanged. This, however, provides additional information as regards to the Shelf Life of the product and the Storage conditions for its optimum use.

- **'Special Tests'** and **'Bubble Point'**: The tests being internal quality assurance and quality control activities.
- **'Best Before'** and **'Storage'**: As these informations are important for the user, these have added in Certificate of Quality.

Effective Date:

All CNPH, CNPC and CNPF membranes shipped after 20th April, 2010 will have Certificate of Quality with said changes.
