

Reference : CHANGE NOTICE No. : DP/13/01

Subject : Change in Certificate of Quality for mdi RBC Separation Membranes

Scope : This change notification will affect the following Clauses of the Certificate of Quality:

- 'Best Before' - Added
- 'Storage' - Added
- 'Slitting/Manufacturing Date' - Added

Background:

In our efforts to inform the user about more relevant information regarding the products they use, it has been decided to make certain changes in the contents of the Certificate of Quality for mdi RBC Separation Membranes.

Need for Change:

As above.

How Does It Affect the User:

From a practical point of view it is only a 'paper change' and in no way will affect the product properties and performance characteristics of the product under actual conditions of use. All performance specifications and product attributes remain unchanged. This, however, provides additional information as regards to the Shelf Life of the product and the Storage conditions for its optimum use.

- **'Best Before', 'Storage' and 'Slitting/manufacturing Date'**: As these information are important for the user, these have added in Certificate of Quality.

Effective Date:

All RBC Separation Membranes shipped after 1st July, 2013 will have Certificate of Quality with said changes.

In case you have any queries, please feel free to contact our Technical Support Team at 'mdi@vsnl.com'.
